ANNUAL REPORT 2023-24

By

Dr.JEGATHEESH TR

PRINCIPAL

KOVAI PUBLIC SCHOOL

Kovai Public School (KPS) is promoted by “Chenniyandavar Trust”, started in the year 2012. This foundation runs by professionals, educators, and business owners. This is a collaborative effort to build a futuristic school that will produce great leaders for the country. The school’s goal is to devise a method for transitioning to an inquiry-based skills approach that involves students who ask questions, think, reflect, examine, interpret, experiment, research, and create knowledge. The school also pledges to provide a stress-free learning environment that fosters competent, confident, and enterprising citizens who promote harmony and peace.

OUR VISION

“To develop a futuristic school and to
Contribute great leaders for the
world”

OUR MISSION

“To develop the children and mould them
to be the true global citizens with
sterling qualities”

July Edition 2023

Story

There was an old owl who lived in an oak tree. Every day, he observed incidents that occurred around him. Yesterday, he watched as a young boy helped an old man to carry a heavy basket. Today, he saw a young girl shouting at her mother. The more he saw, the less he spoke. As the days went on, he spoke less but heard more. The old owl heard people talking and telling stories. He heard a woman saying an elephant jumped over a fence. He heard a man saying that he had never made a mistake. The old owl had seen and what happened to people. There were some who became better, some who became worse. But the old owl in the tree had become wiser, each and every day.

Theme: Be more observant. Talk less and listen more. This will make us wiser.

Kaizen

Kaizen is a Japanese term that translates to "continuous improvement". It refers to a philosophy and methodology that emphasizes small, incremental changes made on an ongoing basis to improve processes, products, or services. Kaizen involves the active participation of all employees in identifying and implementing improvements, focusing on efficiency, quality and eliminating waste. It encourages a culture of continuous learning, innovation, and teamwork to drive overall organizational improvement and excellence.

Advanced English

Basic english

I'm very excited
Don't worry
You are very kind
I'm not sure about it
Good luck
I am listening

Advanced english

I am pumped up
Fret not
You have a golden heart
I'm on the fence
Break a leg
I am all ears

Health is Wealth

Sports are an important part of every student's life. They provide physical and mental benefits that can help students succeed in school and beyond. In addition to the physical, sports can help students develop important mental skills. Participating in sports can help students stay physically active, stay healthy, and develop teamwork and leadership skills. These relationships with teammates develops confidence.

Facts - Accounts

Walter Dillinger, not only was he an accountant, but he also invented bubble gum in 1928.

Accountants have controlled the Academy Awards since 1935. A team of nine accountants will spend up to 1700 hours prior to Oscar night hand-counting the ballots.
